*over 30
entries
for 1990*

Dear Mayor Claas:

Please find enclosed your entry submitted for competition in the 1990 Kansas Cities Public Improvement Awards Contest sponsored by Kansas Consulting Engineers.

I would like to thank you for participating in the competition. We had many entries this year and I'm sure the judging was very difficult. I wish there could have been more than one winner in your population category.

I am looking forward to hearing from you again next year!

Sincerely,

George Barbree
